Our aim is to help individuals and businesses to succeed by harnessing the full power of management WFM & HR - offering the relevant courses for the fast growing disrupted business.

Our top four reasons to become a Global WFM designation holder are:

1. Catch the eye of employers around the globe

Thousands of companies around the world, from multinationals to the newest start-ups in the public and private sectors, train their people with us. Chances are, in any industry you can think of, there'll be Global WFM Qualification holders.

2. Choose your own role

The Global WFM Qualification is designed to bring together management Workforce Management, Human resources and business, so you'll have the practical skills employers need. That way, you'll be qualified to work in a wide range of roles from Manager to Strategists, Talent operation to senior management positions.

3. Earn higher salaries

As a Global WFM Qualification holder, you can earn more and go further. Even while you're still studying, you can step ahead in the job market. Because working to get your Qualification shows employers you're dedicated, hardworking and always thinking about your future. And, if you're already working, the Global WFM Qualification can help you move up the ladder.

4. Study at your own speed

Our on-demand exams and flexible structure put you in control, so you work at the pace that works for you. You could complete a level every year, or take a steadier pace if you're balancing studies with a busy working life, family or university studies. Studying with Global WFM & Research Center, you choose when and where to sit each exam. GWFM has more than 16000 Members across the world.
